

Employee Acknowledgment of Workers' Compensation Network

By signing this form, I acknowledge and understand the following:

- ✓ I received the packet of information that tells me how to receive health care services through my employer's workers' compensation insurance.
- ✓ If I am hurt on the job and live in the service area described in the packet, I must choose a treating doctor from a list of doctors in the Prime Health Services network, or I may ask my primary care physician to act as my treating doctor. If I select my primary care physician, I will call 1-888-512-5454 (toll-free) to notify EK Health Services of my choice.
- ✓ I must go to my treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go anywhere.
- ✓ An insurance carrier will pay my treating doctor and other network providers.
- ✓ I might have to pay the bill if I get health care, other than emergency care, from someone other than a network doctor without the network's approval.
